

BMS/BHS Monthly Board Report
August 2023
Tiffany Hicks

THANK YOU, BOE MEMBERS!

- Thank you for attending and participating in our block party activities! It was a huge hit! We got great reviews and feedback from students, families, teachers, and other stakeholders! Your support is always greatly appreciated.

FIRST DAY OF SCHOOL

- We had an amazing first day of school! It was smooth and all of the students were in the building by 7:55 ready to rock and roll!
- I visited all the classrooms during the 1st and 2nd bell. Students were engaged in discourse, learning about their new teachers, and excited to be in school! It was a vibe that is hard to describe, but it's amazing. **I wish everyday could be like the 1st day of school!**
- A special thank you to our custodians and the cafeteria staff. They always go above and beyond!
- Please see below for our new bell schedule including [Focus, Flex, and Engage](#). Click on the video for more information! 😊
- Please click [HERE](#) to see our master schedule.

INSTRUCTION

- Our teachers spent almost all of last week preparing their rooms and working through several days of professional development on creating unit plans, embedding writing in all content areas, [professional learning communities](#), The Bellevue Classroom, and learning a new scheduling system that we are using during our “FLEX” time.

NUE VUE

- We have 13 students who are virtual / hybrid. These classes officially start on Thursday, August 18.
- Ms. Brun is sending a letter home to all students with the details to join their Google Classroom.
- I met with all of these students before school started to ensure that we still have a plan to keep them connected to BMHS.

BUILDING

- We are loving the new renovations!
 - The new walls, floors, and furniture look great! I am excited that we also updated our teacher's lounge to include a brand new fridge and two new air fryer / microwave combinations.
- We've hung all of our new posters on expectations, mission / vision, and Portrait of a Graduate.

NEW HIRES

- Please welcome the following new folks to our Tiger Family! I am going to list them all just so I know I've mentioned everyone.
 - **Ms. Alivia Elsbernd (1st year) - Biology**
 - **Mr. Chad Montgomery (19 years) - Health / PE / Football Coach**
 - **Ms. Sarah Sharp (1st year) - Strategic Prevention Coordinator**
 - **Ms. Kerry Conley (1st year) - 7th & 8th Grade ELA**

Bellevue High School
