July 31, 2023

Mr. Loren Tackett
Gallatin County High School
70 Wildcat Circle
Warsaw, KY 41095

Re: High School

Lonkard Construction Company proposes the following, after meeting on site:

Remove Existing section from sanitary manhole and install a solid flattop.
Dig Down and install a new Manhole on the existing line.
After installation, flowable fill both holes 12" above the new subgrade.
(Price includes 20 cy Flowable fill, if more is needed - will be billed at \$150.00 per cy.)

Lump Sum: \$14,850.00

Price does not include any restoration.

Please feel free to contact us if any questions.

Thank you for the opportunity.

Lonkard Construction Company
