**Consent Agenda Item (Action Item):** Consider\Approve Gearheart Communications Agreement for District Phone Service Circuit

**Applicable State or Regulations:** BOE Policy 01.11 General Powers and Duties of the Board

**Fiscal/Budgetary Impact:** Monthly cost for District-Wide service as presented in agreement from General Fund

**History/Background:** KDE\KETS recently awarded a new state contract to provide the internet connection for all K-12 school districts in Kentucky. Because of this change our district had to determine how our phone system circuit would be provided going forward. Since Gearheart Communications is an existing vender partner that provides our Managed Fiber connections across all locations they are in the best position to provide our phone system service and be the most cost-effective solution for the district.

**Recommended Action:** Approve as presented.
