Floyd County (175) Public District - FY 2024 - District Funding Assurances - Rev 0

\* The LEA assures the that it will comply with the following provisions:

1.	The local school district makes preschool program services available to all three- and four-year-old children with disabilities and at-risk four-year-old children in a manner consistent with KRS 157.3175.	* Yes ▼
2.	The local school district has a current, signed agreement with the local Head Start program to maximize Head Start funds to serve as many eligible four-year-old children as possible, with certification from the Head Start director that the Head Start program is fully utilized.	* Yes ▼
3.	When the local school district contracts with an outside agency for preschool placements in accordance with 704 KAR 3:410, section 4, the contractor has been approved by the Kentucky Department of Education for these purposes and the contracted services meet all state and federal education requirements.	* N/A ▼
4.	All preschool education programs operated by or located on school grounds meet state education facility requirements for preschool programs. All materials and equipment used by these programs are appropriate for young children. Test sheets, workbooks and ditto sheets shall not be used (704 KAR 3:410).	* Yes ▼
5.	All children enrolled in preschool education programs that operate at least half-day are offered a meal while in the program (breakfast and/or lunch).	* Yes ▼
6.	All instructional staff for preschool education programs meet qualification standards and professional development requirements for preschool, as specified by law.	* Yes ▼
7.	The local school district has a written plan (policies and procedures) for the operation of the preschool program that addresses: recruitment of children; educational programming and related services; developmentally appropriate experiences in cognitive, communication, social, physical, and emotional development as well as creative expression; a curriculum which is relevant and reflective of the needs of the population served, in which a variety of skills are integrated into activities targeted toward the interests of children (704 KAR 3:410); parent outreach and active involvement; coordination of health and social services; coordination with the primary program; and an evaluation plan.	* Yes ▼
8.	At least annually, parents, staff and other professionals shall be involved in evaluating the effectiveness of the preschool program in meeting the needs of participating children.	* Yes ▼
9.	A formula is used to allocate preschool funds to school districts. Amounts are based on the average number of children served on December 1 and March 1 of the previous academic year. The sum of this average is multiplied by per-child rates approved by the Kentucky Board of Education for the new school year. There is a standard "per-child" rate for three categories of enrollment: speech, developmental delay, and income eligible children. There is a weighted category for children with severe/multiple disabilities. While funds are allocated to local school districts based on per-child rates, local school districts may use funds to address the needs of the entire preschool program. Local school districts may distribute funds across the program as long as the dollars benefit preschool students.	* Yes ▼
10.	The local school district ensures appropriate implementation of the Child Find process, delivering appropriate, relevant, research-based instruction and intervention services (Kentucky System of Intervention or KSI) prior to or as a part of the special education referral process.	* Yes ▼

\* The LEA assures the that it will comply with the following provisions:

1. The local school district certifies that the textbook/instructional resources purchasing plans for all schools serving grades P-8 have been approved by the appropriate school councils and the local board of education and are on file in the district office. The plans address the requirements as stated in KRS 156.439 and 704 KAR 3:455.	* Yes ▼
2. The local school district certifies that an annual report and summary of expenditures for textbooks and instructional resources is available on the district's MUNIS report. The annual report addresses the requirements as stated in KRS 156.439 and 704 KAR 3:455.	* Yes ▼

Floyd County (175) Public District - FY 2024 - District Funding Assurances - Rev 0

\* The LEA assures the that it will comply with the following provisions:

<p>1. The local school district has in operation and available for public inspection local board approved policies and procedures which address each requirement in 704 KAR 3:285 (Sections 1-10), the administrative regulation for programs for the gifted and talented, and are consistent with KRS 157.200, 157.224, 157.230 and 704 KAR 3:440.</p>	<p>* Yes ▼</p>
<p>2. The local school district adheres to the definitions in Section 1 of 704 KAR 3:285 for primary through grade twelve (12).</p>	<p>* Yes ▼</p>
<p>3. The local school district's policies and procedures are consistent with the requirements of 704 KAR 3:285, Section 3, as they relate to the identification and diagnosis of gifted characteristics, behaviors and talent, and determination of eligibility for services. The local school district has implemented its policies and procedures so that identification and determination of eligibility for services includes a combination of informal measures, formal measures, and objective-based eligibility criteria. Identification and determination of eligibility is based on students' individual needs, interests and abilities. The local school district provides a system for diagnostic screening and identification of strengths, gifted behaviors and talents which provides equal access for racial and ethnic minorities, disadvantaged children, and children with disabilities. Once a student is informally selected and placed in the talent pool, the local school district does not use a single assessment instrument as the basis for denying services to said student.</p>	<p>* Yes ▼</p>
<p>4. The local school district's policies and procedures are consistent with the requirements of 704 KAR 3:285, Section 4, as they relate to the determination of eligibility of services. The local school district must have a system for searching continuously for candidates for gifted services and for analyzing and comparing data using local or national norms. A local school district must also establish a selection and placement committee to review student evidences for identification for services and at what level for the gifted student services plan. The district must have an appeal procedure to ensure students are not overlooked for services. School personnel must take into consideration disabling conditions which might mask a student's gifts and/or talents. Special education, disadvantaged and underachieving students are among the groups of students who might be given special considerations within identification criteria.</p>	<p>* Yes ▼</p>
<p>5. The local school district's policies and procedures are consistent with the requirements of 704 KAR 3:285, Section 5. The local school district conducts an annual program evaluation which addresses: (a) overall student progress; (b) student, parent, and faculty attitudes toward the program; (c) community involvement; (d) cost effectiveness; (e) the incorporation of gifted education into the regular school program; (f) overall quality of instruction and program personnel credentials; and (g) future program directions and modifications. Data collected in the annual program evaluation shall be utilized in the school and district instructional planning process. The local school district has ensured that school personnel report to a parent or guardian the progress of her/his child related to the gifted and talented student services plan at least once each semester.</p>	<p>* Yes ▼</p>
<p>6. The local school district provides articulated primary through grade twelve (12) multiple service delivery options consistent with the requirements of 704 KAR 3:285, Section 6. No single service option exists alone, district wide, at a grade level . With the exception of an academic competition or optional extracurricular offering, services are provided during the regular school hours.</p>	<p>* Yes ▼</p>

7.	Consistent with 704 KAR 3:285, the local school district provides a comprehensive framework or course of study for children and youth, primary through grade twelve (12), who are diagnosed as possessing gifted characteristics, behaviors and talent based on the district or school's curricula required to meet the goals established in KRS 158.6451. Each school has differentiated, replaced, supplemented, or modified curricula to facilitate high level attainment of the learning goals established in KRS 158.6451 and assists students identified as gifted and talented to further develop their individual interests, needs, and abilities (704 KAR 3:285 Section 7).	* Yes ▼
8.	Consistent with the provisions of 704 KAR 3:285, Section 8, the local school district has ensured that direct services to students identified as demonstrating gifted and talented behaviors and characteristics are provided by professionally qualified and certified personnel as required by the Education Professional Standards Board.	* Yes ▼
9.	State funds for gifted education are used specifically for direct services to students who are gifted and talented. Direct services to identified students are provided by professionally qualified and certified personnel as required by the Education Professional Standards Board and 704 KAR 3:285, Section 8. Seventy-five (75) percent of the district's gifted education allocation is used to employ properly certified personnel to provide direct instructional services (704 KAR 3:285 Section 9).	* Yes ▼
10.	The local school district has designated a gifted education coordinator (qualifications listed in 16 KAR 4:010 Section 7) to oversee the district gifted education operation, serve as liaison between the district and the state, ensure internal compliance with state statutes and administrative regulations, administer and revise the gifted education program budget, and submit to the Kentucky Department of Education for approval as an amendment any local district budget decision change causing a major or significant adjustment, thereby, impacting state funds for gifted education after the annual submission of the local district education plan (704 KAR 3:285 Section 9).	* Yes ▼
11.	Consistent with the requirements of 704 KAR 3:285, the local school district employs properly certified personnel to administer and teach in the program, annually submits the local school district gifted education year-end report, annually submits the summative evaluation of the program and student progress, and otherwise complies with 704 KAR 3:285.	* Yes ▼
12.	Consistent with 704 KAR 3:285, Section 10, the local school district has established a district wide grievance procedure through which a parent, guardian or student may resolve a concern regarding the appropriate and adequate provision of talent pool services or services addressed in a formally identified student's gifted and talented student services plan.	* Yes ▼

Floyd County (175) Public District - FY 2024 - District Funding Assurances - Rev 0

**\* The KETS program requires that districts complete and submit an updated technology plan on a yearly basis. Successful technology plans align the criteria in these ten assurances with the overall education improvement objectives. It is critical that technology planning not be viewed or treated as a separate exercise dealing primarily with software, hardware, applications and connectivity. There must be strong connections between the foundational components of the education technology itself and the professional development, curriculum resources and effective uses by teachers, students, and school leaders.**

1.	The local school district establishes clear goals and a realistic strategy for using education technology to improve education through digitally-connected teaching and learning. The Digital Learning Guidelines, as provided in the Master Plan for Education Technology, should be referenced when selecting or creating developmentally appropriate digital learning resources for instruction, as well as online and blended learning courses in Kentucky schools.	* Yes ▼
2.	The local board of education agrees to conform to the guidelines for filtering, Internet content management, caching, and auditing technologies regarding student and staff Internet access as provided in the Master Plan for Education Technology, including the implementation and maintenance of approved filtering and caching technology in the district for all students, teachers and administrators. The local school district agrees to adopt an acceptable use policy (AUP) in accordance with the guidelines for acceptable use policies as provided in the Master Plan for Education Technology. This AUP includes addressing the nine elements of digital citizenship as identified by the International Society for Technology in Education for all students, teachers and administrators. The AUP contains language compliant with the Children's Internet Protection Act (CIPA) which will prohibit access to objectionable materials, including sexually explicit materials, and shall include, but not be limited to, parental consent for student Internet use, teacher supervision of student computer use, auditing procedures to determine whether education technology is being used for the purpose of accessing sexually explicit or other objectionable material, and provide for the educating of minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, cyberbullying awareness, and response.	* Yes ▼
3.	The AUP also contains provisions that prohibit students, faculty, staff and others with network access from using district resources to establish Internet email accounts through third party providers or any other non-standard electronic mail. The local school district agrees to follow the KETS electronic mail product and design standards. These guidelines communicate the basic product and design standards for statewide electronic mail as incorporated by reference into the Master Plan for Education Technology. The use of personal (third party or non-standard) electronic mail accounts for school-related communications is also prohibited. KRS 156.160, 156.675; 701 KAR 5:120.	* Yes ▼
4.	The local board of education will ensure that "[a]ny technology procured or secured by a district, in a category for which a KETS technology need standard is established, regardless of whether the item is used to reduce the technology need or not, must meet or exceed the KETS standard in compliance with 701 KAR 5:110." 2018-2024 KETS Master Plan incorporated by reference in 701 KAR 5:110. This includes any technology obtained by the local board of education in exchange for something the board has expended its resources on either directly or indirectly.	* Yes ▼
5.	The local school district has a professional development strategy to ensure that all students, teachers, and administrators progress towards the maximization of education technology tools and resources to effectively use current and new technologies to support educational goals.	* Yes ▼
6.	The local school district assesses all education technology services, as defined by the KETS Master Plan for Education Technology, which will be needed to support education.	* Yes ▼

•	The local school district will complete the Digital Readiness Survey Collection. The information collected will be used by local school districts, local Boards of Education, Legislators, and the Kentucky Board of Education to determine the needs for implementing the Master Plan initiatives, technology funding, online applications, and online testing. The District Education Technology leader should use the Digital Readiness Survey Collection to inform the Comprehensive/Consolidated/Continuous Improvement Plan documentation filed at the district. The report is due annually in September and will reflect data for July 1 - June 30 of the previous fiscal year.	
•	The local school district will complete the Technology Activity Report. Upon completion, this report is submitted to the Office of Education Technology (OET). The Technology Activity Report reflects district technology expenditures and progress on categorical purchases for statewide reporting. The report is due annually in September and will reflect data for July 1 - June 30 of the previous fiscal year.	
•	The District Education Technology Leader will participate in the annual KETS feedback process due in December.	
•	The local school district will complete and submit an updated education technology plan on a yearly basis in April.	
7.	The local board provides for sufficient funds to acquire and support the elements of education technology: hardware, software, connectivity, professional development, personnel and other services that will be needed to implement the strategies as outlined in the KETS Master Plan for Education Technology and District Education Technology.	* Yes ▼
8.	The local school district includes an evidence-based evaluation process using data, metrics and analytics that enables the school to monitor progress toward the specified goals and make mid-course corrections in response to new developments and opportunities as they arise.	* Yes ▼
9.	Consistent with the provisions of KRS 61.931, et seq. (2015 HB 5), the local school district addresses the safety and security of personal information by implementing, maintaining and updating security procedures and practices, including taking any appropriate corrective action to safeguard against and provide notification of security breaches in accordance with applicable state and federal laws. The local school district acknowledges, and to the best of its ability responds to, the recommendations and timelines that resulted from 702 KAR 1:170 and the Data Security and Breach Notification Best Practice Guide, incorporated by reference into this regulation.	* Yes ▼
10.	Consistent with the provisions of KRS 365.734, et seq. (2015 HB 232), the local school district acknowledges and, to the best of its ability, ensures that cloud computing service providers:	* Yes ▼
•	Shall not process student <b>data</b> for any purpose other than providing, improving, developing, or maintaining the integrity of its cloud computing services,	
•	Shall not in any case process student data to advertise or facilitate <b>advertising</b> or create or correct an individual or household <b>profile</b> for any advertisement,	
•	Shall not <b>sell, disclose</b> , or otherwise process student data for any commercial purpose,	
•	May assist an educational institution to conduct educational <b>research</b> .
