Proposal
July 24, 2023

Bill To: **Spencer County School District**
110 Reasor Ave.
Taylorsville, KY 40071

Agreement Details:

1. Price includes all travel, labor and materials as described. Any additional products or services will be billed for additionally. This proposal does not include any lift rental and/or transportation fees which would be additional if required.
2. Each cable will be tested individually for quality and integrity, if installed by Prosource. If wiring is provided by another vendor or is pre-existing and is incorrect or is not labeled properly, additional charges may apply for troubleshooting, repairing, toning & tracing the lines.
3. Any connections made to customer supplied equipment (i.e., network switches, routers, wireless access points, or other products) are not guaranteed to be compatible with the products or services provided by Prosource.
4. All areas involved in the scope of work as described, are to be available at the time of installation.
5. The price quoted includes the installation and training to be performed during our normal business hours of Monday – Friday from 8:00am-5:00pm, excluding holidays. After-hours or weekend service is available for an additional fee, so please ask your sales representative for more information if desired.
6. Employee onsite training sessions include one visit, unless otherwise noted. Follow-up training visits are available upon request.
7. This design/proposal requires a PC/laptop to run the video conferencing camera which is **not** included in this proposal.
8. The customer provided PC/laptop will need to have separate microphone and speaker inputs or an adapter will be required.
9. Proposal reflects that there is an existing HDMI that runs from the presenter's area where the PC/laptop will reside that is connected to an HDMI splitter that is currently connected to the two existing wall mounted TV's.
10. The ceiling mounted video conferencing camera will require an electrical outlet in the area of the ceiling where it will be mounted. This will need to be provided by an electrician and the cost for this is **not** included in this proposal.
11. Equipment is non-returnable after installation for reasons other than defective equipment and canceled orders are subject to restocking and shipping and handling fees of up to 18% of the order. A 2% late fee will be added to any unpaid balance every 30 days. A convenience fee of 3% will be added to any credit card payments.
