Subject: Board Agenda Item

Mr. Kenner,

It was recently brought to my attention that North Todd's playground was not readily accessible to students in wheelchairs. I have worked with Contessa Orr to obtain quotes from 4 companies to create a more accessible playground environment for our students with disabilities. The proposals include a handicap accessible entry, a solid surface playground area for easier maneuvering of wheelchairs, and multiple pieces of equipment that can be accessed by students in wheelchairs. The quotes range from \$35,352 to \$87,777. After reviewing what each company has to offer, Ms. Orr and I feel that the \$35,352 quote from Miracle Recreation of KY and TN would meet the needs of our students. This is a local company based in Clarkson, KY that is on our bid list. They indicated that they would be able to complete the job prior to the beginning of school if they are selected. I am requesting that you consider accepting the quote from Miracle Recreation of KY and TN to complete playground renovations at North Todd Elementary School at a cost of \$35,352 to be paid from capital outlay funds pending KDE approval. Thank you for your consideration.
