Re: Intervention Teacher (27 Days)

I would like to request an intervention teacher to support our reading and math at Overdale. Using a portion of Title I Funds (310K), I would like to hire a teacher who will support students three days a week, 3.5 hpd.

We will strategically identify students based on assessment scores from KSA and I-Ready who have identified gaps in reading & math. The intervention teacher will be to work with these students to bridge the learning gaps that are so imperative for future academic success.

Respectfully
Tonya Holt, Principal
