

Teacher Attendance Incentive

The district will award the school with the highest percentage of teacher attendance with a \$500 check each month. The winnings must be used in behalf of the teachers in the building. Teacher attendance incentives will start in September and end in May.

Perfect Attendance Incentive

The district will hold a drawing each month for employees with perfect attendance. The winner of the monthly drawing will receive a \$500 bonus check. Perfect attendance will be calculated starting in September and end in May for all employees.

Emergency days, personal days, sick leave, and leave without pay will be considered absences when calculating teacher attendance and perfect attendance. School business days do not count as an absence.

September 2023

The Newport Independent School District will partner with families and the community to nurture, educate, and instill core values in all students to ensure they reach their fullest potential.
