Positive Developments and Highlights

In accordance with the Board's directive, we are producing additional branding for the First Round sites so the tournaments feel more like a state championship event. Each course will be sent flags for each hole, welcome banners and starting signs; which falls in line with the branding at Bowling Green CC.

Issues of Concern (legal, playing Rules, fiscal management, etc.)

Received multiple allegations this season of schools including sixth graders in practice and/or JV matches. Students below grade seven are ineligible to participate at the high school level per Bylaw 4.

Championship Update/Review

Region Tournaments are scheduled for next week (Sept. 18-20), followed by the First Round State events (Sept. 25-27). The following courses will be hosting the first round tournaments:
Site #1, Regions 1-4, Calvert City Country Club;
Site #2, Regions 5-8, Kenton County Golf Courses (Willows Course);
Site #3, Regions 9-12, Winchester Country Club.
The final rounds will take place at the Bowling Green CC with the girls' playing Oct. 2-4 and the boys' competing Oct. 5-7.
