To whom it may concern:

I, Jeremy Renner, would like to graduate early, so that I can move to Indiana to be with some of my family. The second reason I would like to graduate early is to look for different colleges and jobs.

Thank you

To whom it may concern.

Jeremy Renner has ask to graduate early. I as his legal guardian feel that it would be in his best interest. Jeremy was raised by his grandparents since he was 2 1/2 yrs old; He lost his grandmother in 1/23 and his grandfather in 5/23. I took guardianship so that he could graduate, none of his siblings have. His goal is to graduate in december and move to Indiana to be with his mother and siblings. He turns 18 in October and I fear if he has to go all year then he would drop out. Please allow him to graduate early so that he will graduate. My dad fought hard trying to get him through school but sadly he's no longer with us.

Thank you

To Whom It May Concern;

Jeremy Renner is requesting to apply for Early Graduation with a High School Diploma obtaining 27 credits. He has completed the Early Graduation Application and has been approved by the High School principal. Jeremy currently has 24 credits and will be finished with his Personal Finance and English credit at the end of this semester, as well as other classes to reach 28 credits total. He is college ready in our Foods/Culinary Pathway and is able to Co-op at his job. He is working towards completing his ILP by Christmas and at that point will have met all the requirements to obtain his high school diploma. Jeremy was raised by his grandfather, who recently passed away at the end of last school year. He is 17 years old and will turn 18 in October, his aunt has taken on guardianship of Jeremy, however Jeremy is wanting to move back to Indiana as soon as possible to be with his mom and closer to other family members.

I recommend Jeremy for Early Graduation due to his hardship that he has endured as well as his perseverance to overcome these obstacles and reach these accomplishments by Christmas of his Senior Year.
