Early Graduation Application

To apply for early graduation, the student must complete the following application, attach all required documentation, and submit to the Principal. A conference with the Principal, parent(s)/guardian(s), if appropriate; and the student is required to determine eligibility for early graduation. Once eligibility has been established, the student will present his/her request for early graduation to the Board. Submission of this application does not guarantee the student early graduation.

State below the reason(s) for requesting early graduation. Be very specific in your application, including your plans for the future and how early graduation will help you achieve your goals. Attach additional page(s), if necessary.

I'm 18, and plan to enroll in the Coast Guard in January. I've focused on school and decided not to get a job through High School, so I could graduate early and start my career.

In addition to the above statement, attach the required documentation specified.

- For attendance at college, a post-secondary vocational training school, or accredited apprenticeship training program, provide a copy of the acceptance letter from the institution and the high school transcript.

Attached 2 letters.

To who this Letter goes to
I am writing this so I may graduate early, as I am
wanting to pursue my dream.

I have concentrated on school so I've not gotten a job.
I will have gained all credits required for graduation by this semester.
I have been in JORTC every year of high school, thus I am planning to
Join the coast guard January 2024. For smoother transitioning.

I know many events will be closed to me; such as the mil ball
I am okay with this, as I want to finish school to improve myself
and help others.

Thank you

To whom it may concern,

I'm writing this letter on behalf of my son Brayden Tyler Law. He is a senior at ACSHS. He's requesting to graduate at Christmas to pursue his lifetime career.

Brayden has focused on school and elected not to get a job, so he can graduate early and be prepared for his career. He has achieved all that's required of him and would like this to be granted. He has actively been in JROTC for 4 years. He is planning on enrolling in the Coast Guard January 2024. Enrolment is limited.

Brayden and I are aware that he will be unable to participate in certain activities such as prom. We are both fine with this. He would like to finish school and set his focus on a career that will both help our nation and himself.

Thank You,

Jacqueline Hackett

To Whom It May Concern;

Brayden Law is requesting to apply for Early Graduation with a High School Diploma obtaining 27 credits. He has completed the Early Graduation Application and has been approved by the High School principal. Brayden currently has 24 credits and will be finished with his Personal Finance and English credit at the end of this semester, as well as other classes to reach 28 credits total. He has reached benchmark on the ACT, as well as completed his pathway in JROTC and is enrolled in our JROTC Leadership course. He is working towards completing his ILP by Christmas and at that point will have met all the requirements to obtain his high school diploma. Brayden plans to enroll in the Coast Guard in January and is 18 years old.

I recommend this student for Early Graduation due to the accomplishments already met, and his future plans for starting his career in the Coast Guard.
