Dear Board of Education,

I want my son to do the hardship graduation because he has a full-time job, he must travel with his job and if he cannot do this then it may cause problems. He must work and has worked very hard to get to where he is today. He went to Patriot Academy in person and worked hard and did all of the classes he was supposed to do. It would make it very difficult for him and our family with his work if he did not get this. We really hope you say yes to this hardship graduation.

Thank You

Barbie Johnson

Dear Board of Education,

I am applying for hardship graduation. I have completed all my requirements and passed the Coyote test. I was in Mrs. Rees class and worked hard in my classes and I would even go home and work at night to get everything done. I don't have any classes left to take. I have responsibilities and bills to take care of, I pay a monthly car payment and insurance payment. I cannot get a better job without having my diploma. I am struggling to find a decent job in my area without having my diploma. I am ready to start my career and get all of my training, but I can't start until I have my diploma.

Thank you for your consideration

Allen County Board of Education:

I am writing to support a hardship application for Lucas Johnson. Lucas transferred from Allen County Scottsville High School to Patriot Academy the 22-23 school year. He enrolled in the Freedom In-Person Program to continue course requirements. At the end of the semester, Lucas transferred to the Liberty Virtual Program. Lucas has completed 24 credits, met all required credits, passed his Civics test, and benchmarked in reading on the KYOTE assessment to meet the college and career readiness requirement. Lucas finalized his Individual Learning Plan at the end of the 22-23 school year. Lucas is responsible for bills at home and works a full time job that is associated with his post-secondary goal of working in construction. He has the opportunity to advance in his job and can sign up for the required training/certifications, but that requires a high school diploma. Lucas is a determined and goal oriented young man. He has the desire to move forward and begin his career.

Thank you for taking the time to consider approving a hardship graduation for Lucas.

Sincerely,
