Positive Developments and Highlights	The football season is now in week five with relatively few major issues.
Issues of Concern (legal, playing Rules, fiscal management, etc.)	There have been many rules questions this fall, mostly around the enforcement of fouls where the high school rules differ from collegiate rules. But nothing out of the ordinary. Disqualifications appear to be coming in batches, as the emphasis on language and "don't allow it on the field if you wouldn't allow it in the classroom" mantra seem to be working.
Championship Update/Review	This year's finals will be at Kroger Field at UK on December 1st and 2nd, with the game order remaining the same as 2022, with games scheduled: 12/1 - 1A (12:00), 2A (4:00) and 4A (8:00) 12/1 - 3A (12:00), 6A (4:00) and 5A (8:00) Stadium damage and crowd control will continue to be an emphasis
Officials Update/Review	Thus far, only a few games have had to be moved from traditional Friday night starts, but that option remains possible throughout the year. The Commissioner has remained steadfast in that in lieu of a game being postponed, and student opportunities lost, the office will move games as needed if officials shortages arrive. The turnover in officials has been evident with some mis-administered situations, but assigners have been very good at handling those situations proactively.
Staff and Worker Update	Initial contacts have been made and workers are committing to work
Fiscal and Budget Issues and Review (attendance, etc.)	None at this time
