General Commentary

Assistant Commissioner Bridenbaugh and myself took 15 individuals to represent Kentucky to the event. There were over 160 students in attendance from 30 states including Canada and Honduras. The Kentucky students, as representatives of our Student Advisory Group, planned and executed our HYPE Student Conferences Sept. 7-8 where over 600 student athletes from across the Commonwealth attended the events with topics including relationships and leadership, team building and future planning and brain mapping. This was the 23rd year that the Association has sponsored the HYPE Conferences. The group project by the SAG is to focus on our junior officials program and it will be developed in future Zoom meetings on how this is executed.
