

September Student of the Month Brynn Evans

It is with great pleasure that we recognize Brynn Evans as Morningside Elementary's Student of the Month. Brynn is an outstanding student, great friend, and hard worker.

Brynn does a wonderful job following directions and gives her best effort on all assignments. When I asked why she likes coming to school, Brynn said, "I like seeing my friends and learning new stuff!" This is evident in the classroom because she enjoys being challenged and growing her brain.

Morningside's Guidelines to Success are always displayed by Brynn. She goes out of her way to make others feel included and is always willing to help those that need it. She is kind, considerate, and fun to be around!

Brynn always has a positive attitude and comes to school ready to learn every day. She said her favorite part of school is math, because she is really good at it and likes to do multiplication.

Sweet, caring, smart, and silly are just some of Brynn's many great attributes! I am so proud of her and know she is very deserving of this award!
