

Early Graduation Application

To apply for early graduation, the student must complete the following application, attach all required documentation, and submit to the Principal. A conference with the Principal, parent(s)/guardian(s), if appropriate; and the student is required to determine eligibility for early graduation. Once eligibility has been established, the student will present his/her request for early graduation to the Board. Submission of this application does not guarantee the student early graduation.

To Whom It May Concern:

I am requesting to graduate early so I can get a job and earn money to help support myself. I am on home instruction and am completing my work with Acellus and my home instruction teacher.

I would like to get a job doing hands-on stuff since the work environment is much better for me. I have made progress since I have been doing my school work away from school, and have been working at McDonald's after school hours since I am still a student. I need to be able to work more hours and earn more money to be able to become more independent.

I appreciate your consideration in allowing me to graduate from high school early, and plan to be a productive citizen in the future.

Sincerely,

To Whom it May Concern:

I am writing to request approval for early graduation for my son, Lucas "Luke" Sweeney. He is currently working as a homebound student per his IEP and is doing much better than he did in a traditional school setting. He is now able to hold down a part-time job; however, due to labor laws, he is limited to only a couple of hours after school. Our goals for Luke are for him to become an independent adult, and early graduation will allow us to help him in that transition. Luke will have all graduation requirements met by December of 2023. We feel that being able to work in a hands on job will be more beneficial for him than completing online electives that he does not need.

Sincerely,

A handwritten signature in cursive script that reads "Brittney Sweeney".

To Whom It May Concern;

Lucas Sweeney is requesting to apply for Early Graduation with a High School Diploma obtaining 27 credits. He has completed the Early Graduation Application and has been approved by the High School principal. Lucas currently has 23 credits and is working on his other requirements online through Accellus with Mrs. Jeanine Calvert. He will have 27 credits upon completion of these online classes. He is working towards completing his ILP by Christmas and has passed his Citizenship test. Luke is currently working after working on his school work and is planning on continuing in the workforce full time upon receiving his high school diploma.

I recommend Luke for Early Graduation by Christmas of his Senior Year.

At Allen Co. Scottsville High School we realize for all students to be successful that some may need an alternate form of graduation. When choosing an alternate form of graduation other than the regular 4 year/27 credits from Allen Co. Scottsville High School, please realize that senior activities will be affected. Listed below are the alternate forms of graduation offered and how they affect senior activities hosted by ACSHS. This must be signed by a student and a guardian before seeking approval for an alternate form of graduation from the Allen County Board of Education.
