

MARION COUNTY
Public Schools

Superintendent's Report
Thursday, September 14

Facilities Updates - Marion County High School

Cabinetry, sinks, and flooring are complete in the science classrooms as the entire upstairs nears completion.

Facilities Updates - Calvary Elementary

Concrete was poured for the kitchen and cafeteria earlier this month.

Facilities Updates - Outdoor Classrooms

Outdoor classrooms are anticipated to be complete by fall break.

Glasscock Elementary

Glasscock Elementary has received new cafeteria furniture.

Strategic Planning

Representatives from SREB met with several focus groups including business & industry, certified & classified employees, and students to gather information and feedback that will be used in the district's strategic plan.

Deeper Learning

The MCPS Deeper Learning Cohort met recently to resume their work on shifting learning dispositions to align with our Portrait of Graduate. These teachers will share deeper learning strategies throughout the year with other teachers and present their work at the Central Kentucky District Showcase in June.

School Success - Marion County High School

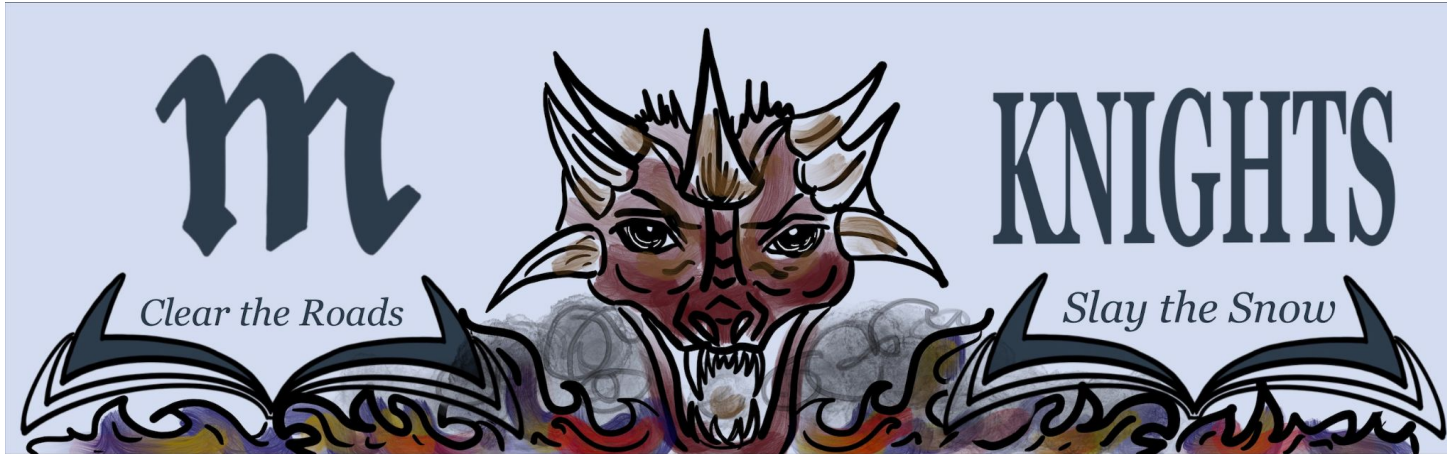

Top 3 Designs
out of 14.

MCHS art teacher Kandace Potter has been selected to have her students participate in *Paint the Plow*. Students will create a design that they will then paint on one of the Kentucky Transportation Cabinet's snowplow blades.
