RE: Short-Term Naviance Curriculum Renewal: October 2023-December 2023

Attached you will find a curriculum renewal between Naviance and Bullitt County Public Schools. Naviance is a college and career readiness solution that helps districts and schools align student strengths and interests to postsecondary goals, improving student outcomes and connecting learning to life. This platform also allows us to provide students with experiences as required for the Individual Learning Plan through the law. This is a short-term renewal the company is requiring so we can have all of our middle and high schools on the same contract and payment calendar beginning January 2024. The Naviance Curriculum is a blended learning solution for middle and high school students that helps develop critical non-cognitive skills and college knowledge and instills confidence so they persevere. This short-term cost is \$2,568.60 funded through Title IV funds.
