MEMO

TO: Dr. Jesse Bacon, Superintendent *JTB*
FROM: Danny Clemens, Director of Facilities
Date: September 15, 2023
RE: Lebanon Junction Elementary Road Addition **DC**

Lebanon Junction Elementary School has requested a 12ft wide road that will connect the Splash Park parking lot to their main school parking lot. Currently traffic is very congested entering and exiting the school on Preston Highway. This addition will help improve the traffic pattern of their car rider line. This project will be paid through Maintenance Department funds.

I recommend approval of this request.
