MONTHLY FOCUS

- District Learning Walks are conducted monthly, focusing on our district's new teachers and co-teachers.
- These learning walks are in addition to school administration walkthroughs.
- The feedback from the learning walks are organized in a sheet and shared with administration.
- Progress of teachers are analyzed during monthly administration meetings.

What happens if you don't understand or do poorly on an exit slip?

“If I have trouble with something, I get the chance for reteaching & that really helps.”
