Final ORR Sent	8/7/2023 19:51	jane.easton@oldham.kyschools.us	Lye	Adam	To the Records Custodian, Cain vs OCBE (Oldham County Board of Education) was settled and finalized on 04/18/23 after being signed by Jason Radford. As this litigation is no longer pending I am requesting to review the following electronic records under the Kentucky Open Records Act § 61.872 et seq involving any of the following individuals regarding each item listed: Jason Radford, Anne Coorsen, Joyce Fletcher, Larry Dodson, Suzanne Hundley, Andrea Niekirk, Patrick Kehoe, Joe Dennis, Carly Clem, and Allison Sheffer. 1. Emails and other communication records regarding the lawsuit from Micah Cain January 1, 2021 - August 7, 2023. 2. Emails and other communication records regarding "Public Comment" and/or "Public Expression" at OCBE meetings January 1, 2021 - August 7, 2023. 3. Emails and other communication records regarding any person(s), including any lists of persons, whose speech or viewpoint was to be limited by OCBE or whom OCBE threatened to limit access to school property January 1, 2021 - August 7, 2023. While this may produce multiple records this should not meet the criteria of overly "burdensome" based on prior Attorney General rulings (21-ORD-245; December 7, 2021) and therefore should not be a reason for refusal to inspect these records. Furthermore, if this query creates more than 1000 records to review I am willing to inspect these records in-person if necessary based on prior Attorney General rulings (21-ORD-244; December 7, 2021). If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public’s understanding of policy decision(s) against Mr. Cain and other citizens of the Commonwealth. This information is not being sought for commercial purposes. The Kentucky Open Records Act requires a response time within five business days. If these records will take longer than five business days to procure, please specify the soonest date on which I can expect to receive these records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. As these records undoubtedly exist I will plan to file an appeal with the Office of the Kentucky Attorney General if these records are not received or, if applicable, offered for review in-person. I will email the Cain vs OCBE settlement signed by Micah Cain and Jason Radford separately as proof that this matter has been settled and is no longer pending. Please confirm your receipt of this open records request. Sincerely, Adam Lye, MD	26
