Todd County School System  
205 Airport Road  
Elkton, KY 42220

To Whom It May Concern,

Farm Credit Mid-America Russellville Office has approved having the naming rights of the gymnasium floor at Todd County High School. The sponsorship would include a \$5,000 commitment on behalf of Farm Credit Mid-America for 3 years. In return, Farm Credit Mid America's Logo will appear on the floor and be recognized at all games, graduations and other events in the facility.

Farm Credit Mid America is here to secure the future of our rural communities and agriculture. We are thankful for what the Todd County schools do for our community and look forward to this partnership for years to come.

Sincerely,

 

Jennifer Ferris
