

Karson Perry

October 2023

Student of the Month

Promote responsibility: Karson shows responsibility every day by always being a model student. He is a great role model for other students.

Act respectfully: Karson always raises his hand and waits to be called on in class. He follows all classroom and school rules.

Work Cooperatively: Karson always shares and takes turns. I can rely on him to go play with a student who is having a hard time making friends at recess.

Show Kindness: Karson uses kind words and encourages others. He checks on other students when they are feeling sad. I can always count on him to give me a hug every morning and a hug before we leave at the end of the day..
