

Student of the Month

Larry Grunett

Larry Grunett is a 4th grade student at Morningside Elementary School. His ability to exemplify our school's Guidelines for Success is what has earned him the honor of Student of the Month from his teacher.

Be Respectful - Larry shows respect for ALL of his classmates and the adults at MES. He is always polite and uses manners when it comes to staff and other students. Larry shows respect no matter what the circumstances.

Be Responsible - Larry is one of those students that RESPONSIBILITY is his middle name. Larry is the student that if you need to ask him to do something because you need it done correctly and quickly, he is the one you can depend on. He tries so hard to do all things that are responsible when it comes to his work, helping others, and our school. He doesn't get enough recognition for this!

Be Cooperative - Larry is a true leader and his ability to cooperate with others is going to take him far! I can always depend on Larry to work well with anyone in our room. Larry is one of those students that can make it work no matter which partner/group I give him.

Be Your Best - Thank you, Larry! When I told the other teachers that Larry was receiving this award, they all were excited and their exact words were, "He deserves it!" Larry gives his absolute best everyday at school!
Larry - Always continue to be your best! I am so proud of you!!!

-Mrs. Billings
