# District Formative Assessment Data

All of these are NEW tools/sources of data:

- **iReady**
  - Grades 1–5 administered in August
  - Kindergarten administered in September
- **FastBridge**
  - K–3 only
  - 4 times a year (replaces DRA, etc.)
  - Five components of reading assessed depending on grade level
- **Pathways to Proficiency (ELS)**
  - Grades 6–8 administered in September
  - High School: pilot assessments for ELA, Algebra 1, Geometry, Biology, and US History end of October

---

**i-Ready**

---

# Important Points

- **Students are assessed on EOY standards for the purpose of demonstrating current reality and growth over the year**
- **Our goal was gain a clear picture of where our students are:**
  - **Students with disabilities were only provided the accommodation of extended time only**
  - **Many newcomer students took the assessment in their native language due to have no knowledge of the English language**
  - **Identify the gaps that are still present from students that spent their early literacy and math years impacted due to interrupted learning through the pandemic years**

# Important Points

- **Identify “risk” level meaning that all students obtain a risk level.**
  - **K-1 Early Reading: Low, Some, High Risk**
  - **2-3 Curriculum Based Measurement: No, Low, Some, High Risk**
  - **Assessment is based on what students should know by the end of the year**
- **As a part of SB 9 this diagnostic identifies students for:**
  - **Reading Improvement Plan (already existed)**
  - **At Home Reading Plan (in development)**
  - **Quarterly Progress (in development)**

# **Pathways to Proficiency (ELS)**

---

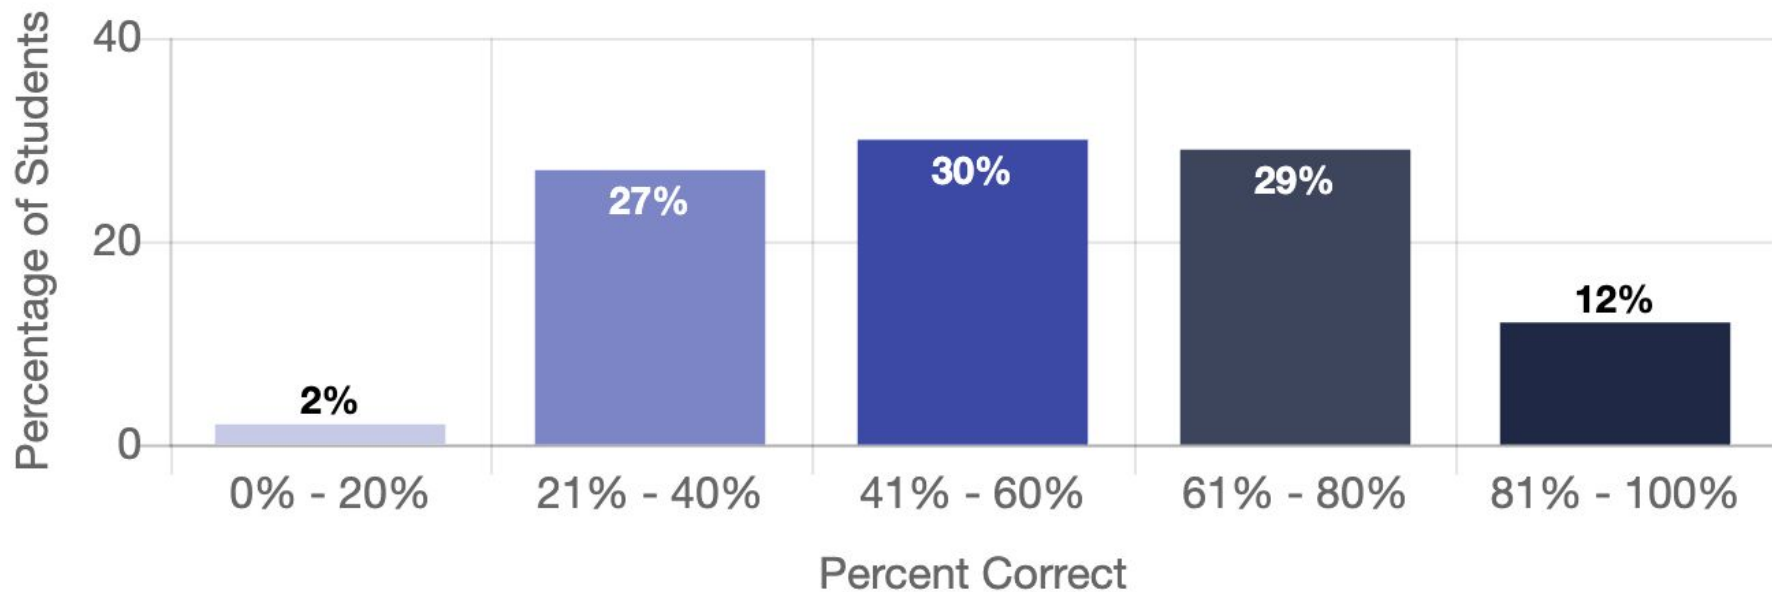

# Important Points

- **New tool for middle and high school**
  - Still have learning to do, just as we do with elementary tools
- **Middle School**
  - ELA and Math
  - ELA is comprehensive
  - Math is based on the pacing guide(administered early in the quarter)
  - Currently only know percent correct
- **High School**
  - Pilot assessments in English, Algebra 1, Geometry, Biology and US History
  - October 18th is when window opens for these pilots

# Current and Next Steps

- **Elementary Opportunity for Improvement Meetings focused on Structured Literacy, SB9 systems, and data analysis of i-Ready and Fastbridge**
  - **Analysis of decodable text, as well as leveled text**
  - **Deep dive of specific skills gaps per student**
- **Secondary Opportunity for Improvement Meetings focused on Adolescent Literacy and data analysis of Pathways to Proficiency**
- **Analysis of teaching strategies in PLCs related to math instruction**
- **Professional learning being provided to teachers to create hands on and authentic learning experiences**
