

Teaching and Learning

10-30-23

CSIP/CDIP process is now open with Phase Two being the Safety Reports and the Needs Assessments will be completed by November 1.

Instructional meetings have begun in both buildings. There has been some very rich and engaging conversations. Focus has been comprehensive of academics, staffing, walkthrough instruments and growth opportunities.

Walkthroughs are being implemented in both buildings. These pieces are invaluable for continued growth.

Test scores are in the district, but are embargoed to the public and the media until November 1. Information can be freely shared inside the school personnel with signed non-disclosure agreements. This has generated a great deal of discussion throughout the district.
