It's time to restore the SEEK guarantee

to it's 2008 buying power.

## FULL BUYING POWER

First, getting SEEK back on track means bringing the SEEK guarantee per pupil back to the full buying power it had in the 2008 school year. Year after year, inflation has been shrinking the value of basic school dollars. To match the 2008 SEEK guarantee of \$3,822 per student, it will take \$5,400 in today's dollars. The SEEK guarantee amount is also used to calculate add-ons for student needs and district eligibility for Tier 1 additional funding.

## ADDRESSING COST OF TRANSPORTATION

Second, getting SEEK back on track means addressing the full cost of school transportation. Transportation has always been part of the SEEK formula, using the state's own calculation of what transportation should cost. But for years and years now, state funding has provided only a fraction of that amount. In the 2022-23 school year, state funding addressed only 69% of the cost.

Districts qualify for SEEK Base, Add-ons, and Transportation by gathering local tax revenue equal to 30¢ for every \$100 in assessed property value. Residents in this school district are already contributing that local share. It's time to get the state share back on track.
