<b>Sports Report</b>	
<b>Sport</b>	Fall Field Hockey
<b>Positive Developments and Highlights</b>	We thank Christian Academy-Lou. for their support and efforts in hosting the state tournament final rounds.
<b>Issues of Concern (legal, playing Rules, fiscal management, etc.)</b>	Some concerns were shared with me at the state tournament in regard to the compact structure of the Field Hockey postseason (Region - 10/13-10/17; 1st Round - 10/19; Final Rounds - 10/21 & 10/23).
<b>Championship Update/Review</b>	All four region champions advanced to the state tournament semifinals, with Christian Academy-Lou. defeating Assumption in the title game, 3-2.
<b>Fiscal and Budget Issues and Review (attendance, etc.)</b>	The number of tickets sold were up across the four first round sites (+99) but down for the final rounds (-263).
