**Takeaways to help Board and Staff** Update on 2024 NSLS opportunities for State Associations

**General Commentary**

In September, the planning Committee met and was updated that due to contractual agreements with a new hotel property, opportunities for students from State Associations would be reduced by almost 55% to around 90.

Alarming to the others on the Committee, we shared with staff and Board members concerns at the Section 2 meeting in Pittsburgh. End results is that a second property was secured and the number is back to around 160.

Each state will be provided 4 slots to attend the 2024 event, and any state wishing to bring more than that would be responsible for lodging. The entire group from a state would be at one property and not split.

The dates for the 2024 event are July 22-25 and applications will begin to be accepts in mid January.
