

MARION COUNTY
Public Schools

Superintendent's Report
Thursday, November 9

Facilities Updates - Marion County High School

Staff members have moved into the upstairs classrooms at MCHS.

Facilities Updates - Marion County High School

The roof replacement of the Roby Dome is nearing completion.

Facilities Updates - Calvary Elementary

Mrs. Ginger Allen's graphic design class took aerial photos of the Calvary Elementary construction during a class visit last week using the class's drone.

Facilities Updates - Outdoor Classrooms

The furniture for the outdoor classrooms is starting to be assembled and delivered.

Student Achievement -- AP Exams

MCHS students who passed an Advanced Placement exam last school year were recognized recently.

Peak Moments

Glasscock Elementary 2nd graders had a guest speaker recently discuss raising mealworms and cockroaches as an agribusiness.

Students also learned about life cycles and how to care for the bugs.

Each 2nd grade classroom now has a mealworm farm to care for.

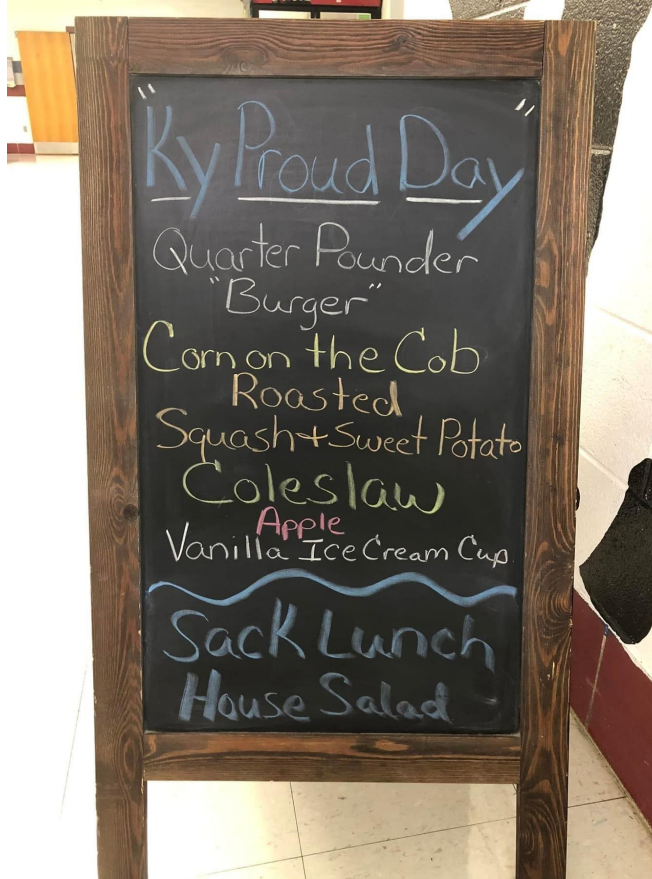

Peak Moments

Manufacturing Day was October 27 at Marion County High School. Seniors from MCHS and Washington County High School visited with local industries and learn about employment opportunities.

Peak Moments

The Farm-to-School Cookout day was October 27 throughout MCPS.

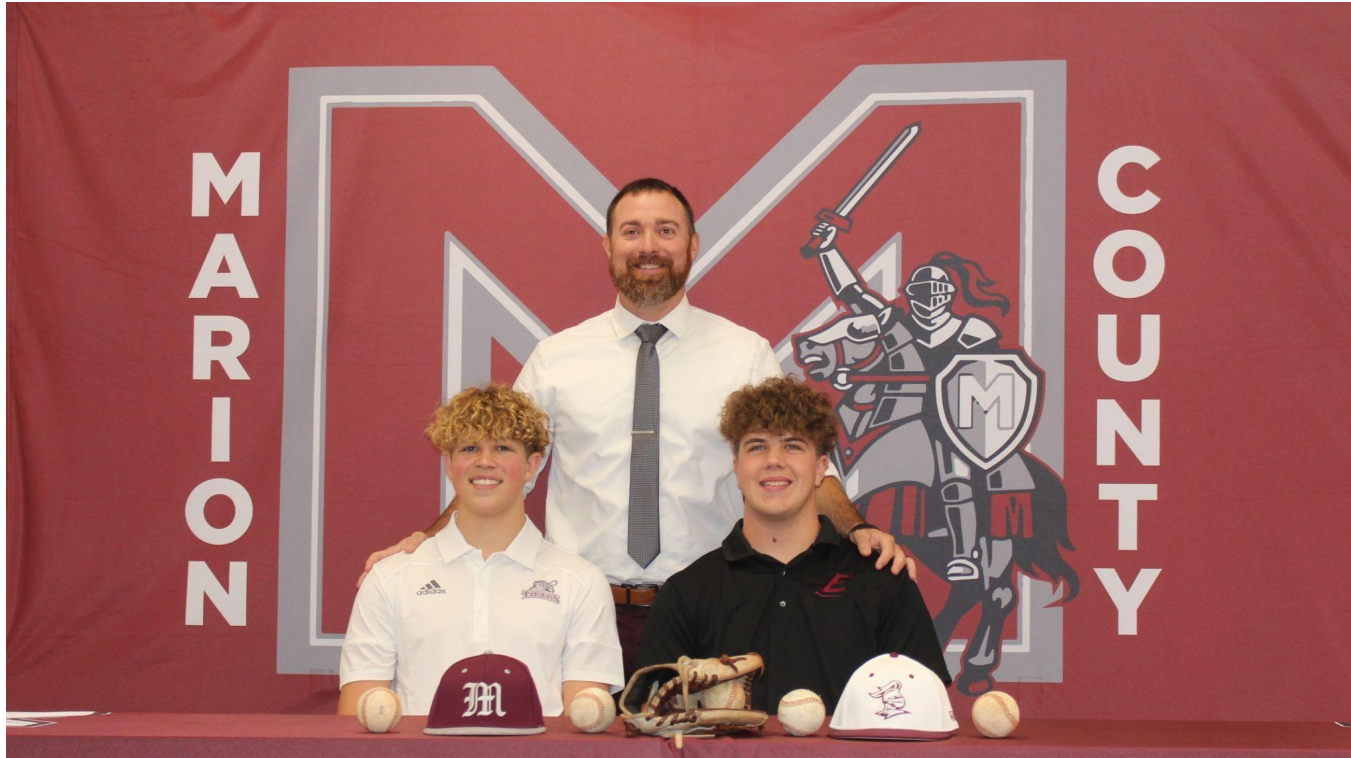

Peak Moments

MCHS hosted a Trick-or-Treat event for MSD students from across the district. Students and staff handed out candy and many were in costume as well.

Peak Moments - Athletics

Two MCHS athletes recently signed to play college baseball.

Senior Jackson Willett signed with Campbellsville University and senior Brady Hutchins signed with Eastern Kentucky University.

Staff Recognition - Migrant Education

The Migrant Education Parent Advisory County recently met to plan and evaluate the program to continue to provide services to migrant children.

MCPS saw an increase in the Progress on English Language Proficiency indicator rating on the recently released accountability data thanks in large part to the work of our EL staff.

Staff Recognition

Staff members Ida Spalding and Pam Marks each received a SIPPS curriculum Scholarship and will receive a beginner's kit to help younger EL students accelerate their English language skills.

Attract, Retain, Recruit

Campbellsville University School of Education students visited MCPS last month to observe classes and learn more about the school district.
