# Tutoring

Gear Up offers tutoring in all subjects, in classroom settings, small groups, and one on one.

# Counseling

Gear Up offers counseling for anyone, whether a student is having a rough day or just needs somebody to talk to.

# College Tours

Gear Up offers numerous college tours. These tours open up opportunities for students to visit colleges that they may not get to otherwise given their resources.

# STEM

Gear Up is very involved with STEM. This includes science and math classes along with STEM activities. A big activity that Gear Up participate in is the all girl STEM goes red event.

# Family Engagement

Gear Up offers family engagement activities after school, this offers students and their entire family opportunities to be involved in STEM.

# Job Site Visits

There are many job site visits that Gear Up offers. Gear Up has taken students to GTG contracting, Ruth Hunt Candy, CAT heavy equipment, Engineering site at UK, and GAS Bowstrings

# Summer Opportunities

Gear Up offers summer opportunities for students that allows them to visit different colleges as well as to engage students in fun and engaging STEM activities.
