Quality of School Climate and Safety Survey ⓘ

NEXT STEPS:

- Continue to increase proficiency in all content areas through daily instruction & assessments that are rigorous & congruently aligned with KSA
- Reduce Novice through increased use of approved co-teaching models and introduction of Bobcat Block [designated daily intervention time]
- As the ELL population continues to grow at CDR, we are striving to find strategies to meet the unique needs of these students.
- Continue to foster a school climate that makes students feel safe and successful!
