**Memorandum of Agreement Terms and Conditions

This Memorandum of Agreement (MOA) is entered into, by and between the Commonwealth of Kentucky, Cabinet for Health and Family Services Department for Public Health (“the Commonwealth”) and Jefferson County Board of Education (“ The Contractor ”) to establish an agreement for Vaccine Barriers to Immunization. The initial MOA is effective from 11/21/2023 through 06/30/2024.

**SECTION 1-ADMINISTRATIVE OVERVIEW**

**1.00-Purpose and Background**

The Kentucky Department for Public Health (KDPH), with 150 programs and (7) seven divisions, is dedicated to improving the health and safety of Kentuckians through prevention, promotion, and protection. Through education and collaboration, the Kentucky Division of Epidemiology and Health Planning Immunization Branch works to prevent and reduce the risk and incidence of vaccine preventable diseases throughout the state.

Jefferson County Board of Education (JCBE) through Jefferson County Public Schools (JCPS) is a large, urban public school district in Louisville, Kentucky. With more than 93,600 students and 6,200 teachers across 166 school sites, JCPS is the largest district in the state and the 29th largest in the U.S. Last year, 66% of JCPS students were eligible for free or reduced-price lunch due to low household income, 13% had an individualized education program due to disability diagnosis, and more than 3% experienced homelessness. Nearly two-thirds of the district’s students identify as students of color, and 14% are classified as English Learners. The JCPS is seeking funding to reach their overarching goal of providing onsite vaccine education and vaccinations during the 2023-24 and 2024-25 school years at two JCPS locations serving our English Language Learner students: English as a Second Language (ESL) Intake Center and Newcomer Academy.

The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.
