TOPIC: Recommendation of Award of Contract

Dear Ms. Smith:

On November 14, 2023, we received bids for the referenced project. Based upon the bids received and our review of the submitted Form of Proposal, Sherman Carter Barnhart recommends that Hopkins County Public Schools accept Danco Construction's low base bid of \$24,665,000 plus alternates 1, 2, 3 and 6 for a total cost of \$24,823,500. Additionally, Marcum Engineering has reviewed the proposals from Trane for Controls and Equipment and finds them acceptable.

Attached you will find copies of the official Bid Tab Form and the Bid Submittal as prepared by Danco Construction.

We hope the above will assist you and the Board in making your final decision to proceed with award of contract for construction of the above referenced project.

Please feel free to contact us with any concerns or questions you may have.

Sincerely,

A handwritten signature in black ink that reads "Andrew H. Owens". The signature is written in a cursive style.

Andrew Owens, AIA, Associate Principal
