Positive Developments and Highlights	Season completed with no major issues. Received lots of positive feedback from schools about returning to the Kentucky Horse Park venue.
Championship Update/Review	State Championships were conducted on October 28. Ticket sales were up significantly (+894) for 2023. The Horse Park staff was all new compared to 2019, but they worked well with us preparing for the event. We appreciate the help of the event staff.
Officials Update/Review	Special thanks to our groundskeepers and officials for all of their hard work preparing the course for the state championships.
