2023 NFHS Section 2 Meeting

**Takeaways to help
Board and Staff**

Most members of the Executive Staff attended this invaluable meeting in Pittsburgh. This meetings allows for collaboration with the NFHS State Associations in Section 2, as well as more detailed discussions with the Executive Director and Chief Operating Officer of the NFHS and allows the association to remain current on the "cutting edge" of the latest topics.

General Commentary

This is some of the best available Professional Development for our senior staff and these two days contain many meetings and informational sessions.
