

November 2023 Panther Academy

Student of the Month

Easton Fisher

Mrs. Pinkham said that Easton exemplifies our Guidelines for Success in the following way:

Promote responsibility: Easton shows responsibility by being a leader. He teaches his peers without knowing he's teaching. Easton sets a good example by following our guidelines and procedures.

Act respectfully: Easton waits to speak when an adult or even child is speaking (he listens intently). He is respectful to our school and his belongings.

Work Cooperatively: Easton works with anyone and everyone. He does exactly what is asked and often does what is needed without being asked.

Show Kindness: He worries about other children if they are hurt or upset, Easton just "knows" how to pick someone up if they are down, including Mrs. Pinkham. His timing is always right on cue!
