

Walker Geary  
November Student of the Month

Walker is a 3rd grade student in Mrs. Waters class. Mrs. Waters shared these kind words about Walker. Walker embodies all the characteristics of a student who upholds Elizabethtown's Tradition of Excellence. His enthusiasm for learning and positive attitude is contagious as he inspires his classmates to always give their best as he does every day. Walker exemplifies what it means to be a role model student. He is always listening, following classroom rules and procedures, and doing his best on every assignment or task. Above all of these wonderful attributes, Walker is kind and compassionate. He is a true friend to all and will do anything to make his classmates feel welcome and included. On many occasions, Walker has shown kindness to his fellow classmates by helping them in any way he can, making them laugh when they are having a bad day, and going above and beyond to make sure no one is left out. He even asks to stay in during recess to clean the classroom often, saying he would rather help and clean than go outside. Walker has a heart of gold!

Mrs. Hood had this to say about Walker. Walker Geary is an exceptional leader in and out of the classroom. He is kind to everyone and wants everyone to do the right thing. Walker is a true example of what it means to have integrity. He has a great sense of humor and can make anyone laugh and smile. I have seen Walker overcome challenges, have grit, and persevere through tough situations. He is a go-getter and I can not wait to see what his future holds. Walker Geary is so deserving of being Helmwood Heights' Student of the month.

Mrs. Yates said, Walker is the one of the hardest working students I know. He might not have a lot of words to say but he doesn't have to because his smile says it all. He is kind and patient and loves making people feel good. He makes me want to be a better person and he taught me that no matter the struggles in life the world is a good place.

Walker is the sweetest kid who cares about his classroom. He always stays in for a few minutes during recess to help clean up his classroom. He says he wants everyone in his class to have a happy and clean classroom. He also suggested that we throw paper away in a recycling bin instead of a trash can so that we can be good people is what Mrs. Stivers had to share about Walker.

Walker is a pure delight! He is a very hard worker....always pays attention and puts forth lots of effort! And, his manners are impeccable plus he is so handsome too!!! He is a favorite of mine! Mrs. Hignite

" I have been blessed to work with Walker as his speech therapist since he started Helmwood Heights as a first grader. Walker is so kind and such a hard worker! He never fails to help me at the end of each speech session by picking up materials and putting things away without me ever asking him to do so. He is a great role model for his peers and he is so very deserving of this student of the month honor. Congratulations Walker" - Mrs. Swiney

Walker is a true best friend. His compassion for others runs deep and wide! The world is a better place because Walker is in it. He treats every person he meets with kindness and respect. Walker will move mountains!

Love you buddy! Mrs. Thompson

Great Job Walker, we are all so proud of you!!!
