Recommendation/Motion: Approve the initial BG-1 Project Application for the construction of the New Elementary School on Greendale Road in the amount of \$41,938,725.49 (Forty-one Thousand, Nine Hundred Thirty-eight Thousand, Seven Hundred Twenty-five Dollars and Forty-nine Cents.)

Background/Rationale: The construction of the New Elementary School on Greendale Road is listed as priority 2.a.1. on FCPS's 2021 District Facility Plan (DFP). The Director of FCPS Facility Design & Construction has drafted a preliminary cost estimate for the new construction, yielding a final project of approximately 80,818 SF to serve 750 students (K-5). The program is consistent with other recent FCPS school projects and the KDE model program. Project cost estimates are based on the most recent construction bids and include: design and financing fees; furnishings; surveys; and other miscellaneous project costs. The project design must begin now in order to meet an expected completion date of 2026. Sherman Carter Barnhart Architects was approved as the design consultant for this project at the Board's November 27, 2023 meeting.

Based on the rationale above, a BG-1 Project Application is required as follows:
