Re: Stevenson Elementary

Dear Danny;

Thank you for meeting with Jed. We propose sanding the wood gym floor down to the bare wood and replacing 500 square feet of flooring.

The floor will be sealed and two coats of polyurethane finish will be applied. The striping will be similar to the existing. One logo in the center circle is included.

We quote the sum of \$52,075.00.

The base and thresholds are not included. We will work with your schedule. It will probably be in 2024.

Please contact us with any questions.

Respectfully submitted.
