- Social Studies for Elementary from 26% (2023) to 36%, Middle School from 19% (2023) to 29%, and High School from 15% (2023) to 25%.
- Combined Writing/Editing and Mechanics for Elementary from 24% (2023) to 34%, Middle School from 21% (2023) to 31%, and High School from 13% (2023) to 23%.

By 2026 Powell County Schools will increase:
- Postsecondary readiness rate from 78.1 to 85.
- Climate index for Elementary from 79.8 to 84, Middle School from 65.2 to 75.2, and High School from 60.1 to 80.
- Safety index for Elementary from 73.6 to 78.6, Middle School from 56.8 to 62.8, and High School from 54.4 to 75.

KCWP 1: Design and Deploy Standards
- Curriculum Specialists to work with reading and math teachers to support implementation of the new High Quality Instructional Resource.
- Examination of curriculum needs and curriculum currently being used. Curriculum selection for schools that are without a HQIR for Science.
- Teacher and administrative team will work through the Model Curriculum Framework to select a High Quality Social Studies Resource.
- Social Studies training connected to Kentucky Academic Standards and document usage.

KCWP 2: Design and Deliver Instruction
- District and building leadership will participate in Professional Learning around tenets of high quality instruction and work together to create a district wide walk through document.

KCWP 4: Review, Analyze and Apply Data Results
- KSA (Kentucky Summative Assessment) test scores from previous school year analyzed for areas of growth.

- NWEA MAP assessment data will be analyzed following each administration and students will be identified who need additional support in the tested area.
- Provide alternative learning environments to support pathways to graduation based on student data. (Powell County Academy, Virtual Learning Academy, Connect Academy, Dean of Students at PCHS and Drop-out prevention staff member)

KCWP 5: Design, Align and Deliver Support
- District and building administration will work with CKEC (Central Kentucky Educational Cooperative) to align processes for MTSS (Multi-Tiered Systems of Support) at both the district and building level.
- Daytime ESS (Extended School Services) provided at every school level.

KCWP 6: Establishing Learning Environment and Culture
- Review, add or remove career and technical education pathways based on the results of a needs assessment.
- Increase collaboration and planning with Estill ATC and MCTC.

Mission

The mission of Powell County School Systems is the commitment to preparing and inspiring all students to be lifelong learners who are self-sufficient, responsible, and productive members of our community.
