

Kelsey Wayne
December Student of the Month
Talton K. Stone Middle School

Kelsey Wayne has been a great addition to TK Stone. She is an excellent student on the All-A Honor Roll who has exemplary attendance. Kelsey is an active member of the Y Club, Sources of Strength, Beta, and archery.

As part of the Sources of Strength team, she is a quick thinker and a huge help to our campaigns. She can jump in at the last minute and help with any task and she is happy to do so! She is a strong role model for other students and a positive peer leader.

As a member of the Y club, Kelsey received a shout-out during a Commonwealth House committee session for asking some insightful technical questions.

Kelsey loves to spend time with her cat and talk to her friends. She would eventually like to attend Brown University.

Kelsey is a brilliant young lady who knows her mind. She brings a different perspective to the table in class and is refreshing to hear. You can tell she puts a lot of thought into what she says before she says it. She is truly a joy to have in class. - Mr. Lutz

Kelsey is an excellent student. She applies herself and works hard. She has great ideas and loves new challenges. She is one of the cornerstones of my classroom with her work ethic, attitude, and love of learning. Mr. Price

Having a student like Kelsey in class is such a blessing. She is a hard worker, helpful to others, and genuinely values her education. Kelsey contributes to class discussions in a thoughtful manner, while taking others' ideas into consideration. She works efficiently with a team, but also knows how to have fun in the process. Her travels and time abroad help give the classroom a different perspective, which helps all students in the class. Kelsey is the type of student who every teacher wishes to clone, and I am thankful to be spending an hour of my day with her! -Ms. Thomas
