**ATTENDANCE / BEHAVIOR**

- We continue to implement the Responsibility Centered Discipline during office referral conversations. Mrs. Young is also working with 2 new teachers to support them as they implement these strategies in daily routines. Two of these teachers are of the five teachers that have submitted referrals this month.
- The attendance committee continues to meet every Tuesday. The team is working closely with the student, their families, our DPP, school therapist, FRYSC coordinator and the court system to support any student that has accrued or 10 more unexcused absences.

## **STUDENT / TEACHER ACTIVITIES**

- We met with the 10th grade class to discuss the HOBY scholarship and we had 6 applicants! That's the most we've ever had. Congratulations to Patrick Vogt on being chosen to represent Bellevue.
- Ms. Winkler held regular coaching meetings with each math teacher along with co-teaching and collaboration to provide support.
- We planned and implemented an incentive program for reading and math FOCUS classes that culminated in a donut party for two winning classes before Thanksgiving break.
