

**PARCELS PREVIOUSLY ACQUIRED**

The above map provides a reference to property previously acquired as Parcel 200 and the property subject to the current acquisition referenced as Parcel 200A. Parcel 200 included the acquisition of 1 fee simple right-of-way area located at the northeast corner of the Henderson County Board of Education property, and 2 temporary construction easements. The temporary construction easements are located: along the BOE's frontage of Second Street running north along the east property line; and along Second Street at the current entrance into the property between the school building and the central office for the Henderson County Board of Education. Parcel 214, also previously acquired, included the acquisition of fee simple interest and a temporary construction easement located at the northeast corner of the Henderson County Board of Education property along the southerly line of Second Street

**PARCEL TO BE ACQUIRED**

Parcel 200A is a triangular parcel comprised of 3,327 S.F. (0.076 acres) located at the southeast corner of the property.
