Re: Henderson County BOE – Parcel 200A  
Item No. 2 – 1088.20 for the Henderson County I-69 Project

The Commonwealth of Kentucky for the use and benefit of the Transportation Cabinet, Department of Highways, has requested to purchase a 0.08 acre (3,327 S.F.) parcel of land as part of the proposed highway improvement and construction of I-69, identified in their records as Parcel 200A. The 0.08 acre tract is part of a larger tract the Board granted a temporary construction easement on in 2021 and is located adjacent to North Middle School along to the Zion Road exit ramp.

Said property is not currently being utilized and is surplus to the educational program needs of the district and should be declared surplus and appropriate for disposal upon approval by the Department of Education.
