## Executive Summary Fayette County Public Schools Board Meeting Agenda Item

**MEETING:** Planning

**DATE:** 1/8/2024

**TOPIC:** FCPS Strategic Plan: A New Way Forward

**PREPARED BY:** Dr. Bill Bradford and Dr. Houston Barber

**Recommended Action on:** 1/8/2024  
Informational Item

**Superintendent Prior Approval:** Yes

**Recommendation/Motion:** N/A

**Background/Rationale:** Our Priorities pinpoint the five areas in which action must be taken at both the school and district level to drive progress. We have established diverse teams of employees from different departments to dissect each strategy into action steps, including timelines, staff responsibilities, resources needed, and measures of effectiveness. These teams meet regularly to monitor progress and adjust as needed to ensure successful completion, recognizing that the most impactful work happens in our classrooms and schools.

**Strategic Priority:**

- ☒ Student Achievement    ☒ Diversity, Equity, Inclusion & Belonging
- ☒ Highly Effective & Culturally Responsive Workforce
- ☒ Stakeholder Engagement & Outreach    ☒ Organizational Health & Efficiency

**Data Considerations:** This strategic plan is our roadmap to that future. As such, it guides our actions and informs our resource allocations. To succeed, we must hold ourselves accountable for consistent implementation and results. Intentionally written to allow for continuous learning and refinement, the plan requires leaders to respond quickly to the evolving needs of students, families, and community.

**Policy:** 01.111

**Fiscal Impact:** N/A
