2023-2024 Phase One: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Cecilia Valley Elementary currently hosts 450 students within the Hardin County School District. Cecilia Valley Elementary School opened as a brand new school in January 2018 and is located in Cecilia, KY with a population 618 (2019 Census). The median household income is \$67,689 and 41% of people in Cecilia live below the poverty line. Cecilia Valley Elementary School serves Preschool through 5th grade students, including a Low Incidence Special Education program and an Outdoor Preschool Program. Mr. Casey Goodman is serving as the Principal; Ms. Michaela Priddy is serving as Assistant Principal; Mrs. Tiffany Neuman is serving as the CVES Counselor and Mrs. Donna Propes is serving as the Family Resource Coordinator.

School Stakeholders

Identify and describe the school's stakeholder groups. How does the school ensure stakeholder involvement and engagement in the improvement planning process?

Cecilia Valley engages our families in the improvement planning process through parent representatives on our Site-Based Decision Making, as well as each SBDM committee including a parent representative. Families are encouraged to provide feedback yearly through both the Title I family engagement survey as well as the Family Resource Coordinator Needs Assessment. Students are encouraged to provide feedback through the school's Leadership team. Community Members are included on the Family Resource Coordinator's Advisory Council.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs, including the year in which they were last reviewed or revised. Describe how the school embodies its purpose through its program offerings and expectations for students and how stakeholders are involved in its development.

The mission of Cecilia Valley Elementary School, a united, family-oriented, rural school is to view each child as a valued and unique individual who can learn and achieve at high levels. We welcome the special contributions and individuality of every student. By emphasizing character and keeping student learning our first priority, we strive to prepare our students to be successful contributing citizens of the 21st century. Specifically, CVES supports student in their development by providing extra-curricular organizations such as BETA Club, Academic Team, Basketball, Volleyball, ART Club, Music Club (Booming Bruins).

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

CVES showed success in both reading and math according to iReady growth from Fall 2022 to the Spring 2023. Collectively, 70% of students in grades Kindergarten through Fifth grade met or surpassed their growth goal for the year in math. In addition, students in grades Kindergarten through Fifth grade grew from only 20% of students at or above grade level in Fall 2022, to 79% of students at or above grade level in math in Spring 2023. In reading, 76% of students in grades Kindergarten through Fifth grade met or surpassed their growth goal for the 22-23 school year. Additionally, students in grades Kindergarten through Fifth grade grew from only 30% of students at or above grade level in Fall 2022, to 74% of students at or above grade level in reading for Spring 2023.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

CVES is growing every day and we have approximately 120 more students that we did this time last year (22-23). With the announcement of the 2025 Blue Oval plant opening in Glendale, KY, CVES is anticipating continued growth. CVES has used district ESSER money to fund two, full-time interventions working with K- 5 students in both reading and math. The Outdoor Preschool class has remained open since August 2019 and each year this program has grown in the opportunities it offers.
