

Marty Arthur  
820 Cedar Grove  
Irvine, KY 40336

Estill County School Board of Education, Mr. Charlie Brock, and Mr. Austin Moore,

I am interested in applying for the posted contract for concession for the remaining 2023-2024 school year for the entire athletic events.

I have many years of experience running a successful and effective concession stand that serves great food at an affordable price for families.

If given the opportunity to serve Estill County School in this contract, I will hire and manage staff to run the concessions. Each of my employees as well as myself will be professional and provide service with a smile. I have a current background check registered with the Estill County schools.

For references or other information, please contact me for further information.

Sincerely,  
Marty Arthur
