Consent Agenda Item (Action Item):

Approve agreement with NEVCO Sports LLC to purchase and install video board at Prestonsburg High School

Applicable State or Regulations:

BOE Policy 01.11, 04.7, 04.8

Fiscal/Budgetary Impact:

The project will use \$44,062.00 ARP ESSER Funds

History/Background:

With the installation of video boards at every school in the district, Prestonsburg High School is the only school in need of a video board. This board will help display important information as a means of communication to all stake holders and used in the case if the gymnasium needs to be used as a classroom to assist with physical spacing of students. The Kentucky Department of Education has approved the use of ARP ESSER funds to install video displays.

We have selected NEVCO Sports LLC, as the partner to install video displays. They have installed the video displays in each of the schools in Floyd County. This will allow seamless operation of the video display and no integration set-up by Floyd County personnel.

Recommended Action:

Approve as recommended
