- Embedded Opportunities to Inform Instruction

Writing Stamina Initiative

- Goal is to grow independent writing stamina at each grade level
- Prompts provided
- Begin with 5-10 minutes, depending on grade level-working toward 20 minutes of uninterrupted writing
- EVERYONE, including teachers, IAs and admin team with write on the given prompt

MAP

- All students K-5 have completed the second round of MAP assessments in reading and math.
- Every student set a growth goal

PLCs

- Data Analysis Protocol with Reading and Math Formative Assessments
 - What do we want students to know, understand and be able to do?
 - How will we know if they learned it?
 - How will we respond when some students do not meet the standard?
 - How will we extend the learning for students who are proficient?
- Data Analysis Protocol with MAP Growth Data
 - Review MAP data as a classroom and as a grade level
 - Identify student progress
 - Determine adjustments needed during Tier 1 instruction

TBC- District Wide

- Workshop Model
 - This week, teachers will have an opportunity to work on intentionally creating a lesson on a workshop wheel that will be implemented prior to our next gathering. Teachers will specifically focus on the workshop through the lens of both teacher and student.

Kinder-5 th	92.8%	93.6%

Social Emotional

Character Strong

- January's character trait is Perseverance.

- Teachers will focus on teaching Character Strong: Perseverance lessons during morning meetings. Ms. Craig will reinforce this learning during her monthly SEL lesson.
- Teachers will intentionally reteach and practice our building expectations Respectful, Responsible, and Safe. Ms. Craig, Ms. Antony, and Ms. Sharp will continue their Tier 2 small groups based on data/student needs.
- On Jan 10th, Mr. Forshey & Ms. Craig shared Tier 1 behavior strategies with staff from a Character Strong Professional Development they attended.

Behavior

- We are seeing a direct impact on behavior improvement with students who have joined a small group of behavior support utilizing our Character Strong curriculum.

After School Program

- We have continued implementing our Individualized iReady Math curriculum through targeted small group instruction and independent online learning paths. We will be assessing student on iReady during the week of Feb 5th. This assessment will help us determine the effectiveness of the iReady program.
- Students continued to enjoy the afterschool clubs. January clubs are the following:

Kindergarten- 2 nd Grade	3 rd -5 th Grade
Yoga Drumming	Yoga Drumming
Crafty Creations	Canva
Legos	Artful Reading
	STEM (Fridays only)
